

Electric Tractor

Bigà type “Easy” to move and to tow To ride standing or sitting position

The Bigà Easy type has a simple shell (single mould) for this reason it can fit a swivel chair with height adjustment, keeping all the technical characteristics of the version Bigà type A/B/C, unique colour Blue.

Lawn tractor Bigà EASY type A – 16 Km/h. Travel time of people is reduced by 25 times (men walk 4 km/h). Immediate use: mount, leave, arrive and you are already on the move (movements dynamic). For all the workers who carry out movements of radius greater than 100 meters. For quick emergency repairs and transport of small pieces. 40/60 minutes daily average gain of time.

Lawn tractor Bigà EASY type B – 10 Km/h. It solves two problems, move fast enough added to the possibility, by hooking quickly a cart of our production, to move material up to 300 kg. in the various sectors of production. Speed, handling in tiny spaces, turns on itself with the cart at 200 cm. of radius, it enter the various departments easily. Emergency services and maintenance of bulky and heavy materials (cart cm. 120x80 capacity kg. 300).

Lawn tractor Bigà EASY type C – 6 Km/h. with truck towing capacity up to 2,000 kg. on flat surfaces for short distances. Towing 300 kg. on slopes of 10%, optimal work 800 kg. Speed, handling in tiny spaces, turn on itself with carts in 200 cm. radius enters the various departments easily. Speed, handling in tiny spaces, turns on itslef with the cart at 200 cm. of radius, it enter the various departments easily.
